Re: Reference for Brendan Spasovski — Actor

To Whom It May Concern,

My name is Steve Morris. I have worked in the film industry for over three decades as a stunt performer and actor, with credits including the *The Matrix* trilogy, *Mission: Impossible II* and *Mr Inbetween*.

I met Brendan while filming the feature film *Badland Rising*.

Brendan is reliable and professional. He turns up prepared and off-book, takes direction well, and hits his marks. He is focused and controlled, comfortable with physical work, and delivers consistently take after take.

I highly recommend Brendan, I find him a pleasure to be around and would work with him again, without hesitation.

Kind regards
